

There's Still Time to Claim Ohio Bar and Restaurant Assistance Funds

Earlier this year, we reported on the [Ohio Bar and Restaurant Assistance Fund](#), which made funding available through the CARES Act for Ohio liquor permit holders. This specific fund provides \$2,500 to each qualifying location.

The deadline to file is 12/30/2020, and with just over a week until the filing deadline, it has been reported that over 1/3 of eligible permit holders have not applied for this funding, meaning a substantial amount is currently unclaimed and will be returned to the federal government after the end of the year.

The fund is not only available to traditional bars/restaurants - almost 30 different permits qualify (including breweries, wineries, and distilleries).
